# About Us

"We believe what truly sets us apart is our passion for what we do, what we offer and our client-centric services" Globetrot Logistics Ltd is a Kenyan company dedicated to providing innovative, cost effective and result oriented logistics services to organizations in Kenya and all over the African Continent.

At Globetrot Logistics Ltd we are committed to delivering the best global freight forwarding solutions through air, ocean, and road transportation. We have a worldwide agent networks and partners who are dedicated to providing the service levels that you require whilst ensuring successful shipment of all your consignments.

All your freight movements are in professional hands. Handling of all bookings and necessary documents is all in-house.

Our well trained and motivated staff apply 'Economic Route Management,' i.e., finding the fastest and most effectively priced way to move your cargo from origin to intended destination.

It is our priority to continuously learn and understand the needs of our customers, who trust and believe in our expertise and the reliable logistic solutions we offer. It is our priority to continuously learn and understand the needs of our customers, who trust and believe in our expertise and the reliable logistic solutions we offer. When looking for a shipping partner for your goods, you need a trustworthy and dependable partner.

At Globetrot Logistics Ltd, we uphold Trust as one of our key pillars in all our dealings with our clients. As competent shipping agents, we ensure that international legislation and regulations are duly complied with. This way, we ensure your goods arrive intact, safely and on a timely manner at the intended destination.

Our clients have continued to appreciate our high value adding services and have regarded us more as growth partners. We have been able to offer our services to leading institutions in Kenya and abroad.

True partnership is the way we would like to do business. Our philosophy of being a company open to partnership allows our clients and partners to share in our success and growth.

## Our Mission

To be a world class Logistics Solutions Provider through delivery of reliable and customer-centric solutions to our clients in Africa and beyond. Our mission is anchored on our continued commitment to help our clients to be successful in their businesses. We embrace flexibility and constantly look for ways to provide value added services to our clients.

## Our Mission

**Excellence** - We ensure that you receive value for money. Our team of highly qualified technical and business development professionals will be at your disposal to ensure that you receive a high quality of service that will exceed your expectations.

**Flexibility** - We tailor make solutions to the needs of our customers. No order is too small or too large for us.

**Integrity** - We deliver on our commitments and conduct business in a transparent manner towards all stakeholders.

**Trust** - We believe business is built on consistent delivery, sound relations and mutual trust.

No matter how big or small your need for logistic freight services is, we are able to help and advise you on the best routes, correct documentation, timings and costs.
